

Janet Finney Memorial Scholarships

Annual Scholarship Information

Scholarship History

The Janet Finney Memorial Scholarships were created in 2015 to commemorate her life, her love of the school system and to provide opportunities for Anselmo-Merna graduates to continue their studies in post-secondary. Janet was a long-time community member and a strong believer in our school system and the opportunities it affords our students. Two scholarships of \$500 are given annually in her name to any student pursuing their postsecondary studies.

Anselmo-Merna Public Schools and the A-M Foundation thank the Finney family for their generous support of our students and their futures!
